## Growth and Development Check List

Check the boxes that apply to the milestones that your child is meeting already.

### Birth to 3 Months

Does your child...

- Lift their head and chest when on their stomach
- Move their arms and legs easily
- Follow your movements by turning their head side to side
- Easily take a bottle or breast and suck well
- Startle or cry at sudden loud noises
- Look at you, watch your face
- Make gurgling or cooing sounds
- Smile in response to your smile or talk
- Quiet easily when comforted

### 3 to 6 Months

Does your child...

- Play with their feet when on their back
- Lift their head and chest with their weight on hands when on their stomach
- Hold their head upright and steady without support
- Roll from stomach to back and back to stomach
- Play with their own hands by touching them together
- Reach for a toy
- Pick up a toy placed within reach
- Turn their head towards sounds
- Make lots of different sounds
- Laugh out loud
- Try to show likes and dislikes

### 6 to 12 Months

Does your child...

- Pull themselves to stand with some help
- Sit without help while playing with toys
- Transfer objects from one hand to the other
- Feed themselves finger food
- Imitate waving bye-bye
- Let you know their needs with motions and sounds
- Copy speech sounds ("ba-ba", "ga-ga")
- Take turns while playing with adult (actions, sounds, or facial expressions)
- Let you know he understands a simple question
- "Do you want some more?"
- Knows parents from strangers

### 12 to 18 Months

Does your child...

- Walk alone
- Pick up small objects (raisin size)
- Put objects in and dump from containers
- Put one object on top of another
- Feed themselves with spoon
- Say two or three different words in addition to "Mama" or "Dada"
- Ask for things using words
- Hold and drink from a cup with some spilling
- Point to several things or pictures when named

### 18 Months to 2 Years

Does your child...

- Walk up and down stairs with their hand held
- Scribble
- Move their body in time to music
- Put two words together ("more juice")
- Begin to ask questions ("juice?", "bye-bye?")
- Feed themselves a sandwich, taking bites
- Take off socks and shoes
- Look at story book pictures with an adult
- Make simple choices among toys (puzzles or trucks)
- Copy another child's play (pouring sand, throwing ball)

### 2 to 3 years

Does your child...

- Walk well, run, stop, step up, and squat down
- Stack 3 or more objects
- Use the spoon and cup all by themselves
- Follow two-step directions ("Get the book and put it on the table.")
- Name five to six body parts on themselves
- Take part in simple conversation
- Answer simple "what" and "what do" questions ("What do you want for lunch?")
- Point to or name objects when told their use ("What do you drink with?")
- Help with simple tasks (picking up toys)
- Use 2-3 word sentences regularly
